

Dear Customer,

Below is the draft service application that you requested. Please complete this form and return it to our office along with a voided check from the bank account you wish us to draft from. This form must be received prior to bill calculation of your next bill for an automatic draft to be generated. If you would like us to manually draft your current bill, please indicate below.

Each month, you will continue to receive your utility bill that will be marked "Bank Draft". On the due date, we will process your bank draft and deduct the net amount indicated on your bill from your checking account. Your bank statement will reflect this deduction and will serve as your proof of payment.

Thank you for requesting our bank draft service. Should you have any questions, please contact our office at 979/764-3535.
